

2013 CESifo Area Conference on Employment and Social Protection

Call for Papers

On **10–11 Mai 2013**, CESifo will organise the annual CESifo Area Conference on Employment and Social Protection in Munich for all members of the CESifo Research Network with an interest in this research area.

The purpose of the workshop is to bring together CESifo members to present and discuss their ongoing research, and to stimulate interaction and co-operation between them. All CESifo Research Network members are invited to submit their papers, which may deal with any topic within the domains of employment and social protection. Both domains are to be broadly defined, the former including, in particular, issues of the organisation of labour. The latter domain, in turn, includes not only governmental institutions of the welfare state, like social insurance, but also other non-governmental institutions of the welfare society, such as the family, or charities and informal networks, social norms and altruistic behaviour.

The keynote lecture will be delivered by **Richard Cornes** (Australian National University)

The **deadline for submission** of complete papers, or 2-3 page abstracts, is **1 February 2013**. Preference will be given to complete papers.

For submission, please visit www.cesifo.org. Go to the “Conferences”- page, click on the link “Academic Conferences”, then on the link “Forthcoming Conferences”, then on the conference name and finally on the “Submit a paper”- link below the conference description. Only online submissions are accepted. Should you have any (technical) difficulties with the online submission procedure, please contact office@cesifo.de for assistance.

Please note that the **same paper** is allowed to be submitted to **only one** of the CESifo area conferences. Authors of submitted papers will be notified no later than 15 February 2013 as to whether their paper has been accepted for the workshop. Papers which are more related to the topic of other area conferences may be re-directed to the respective area coordinator.

CESifo will provide accommodation, and reimburse economy travel costs for CESifo Research Fellows/Affiliates with accepted papers. **All papers presented at the conference will appear in the CESifo Working Paper Series.**

Further questions regarding the organisation and scientific content of the workshop should be addressed to the conference organizer, Kai A. Konrad, Max Planck Institute for Tax Law and Public Finance (kai.konrad@tax.mpg.de).
