12th Workshop on Political Economy

From 30/Nov/2018 to 01/Dec/2018 in Dresden

CESifo, the Center of Public and International Economics (CEPIE) at TU Dresden and the ifo Institute, Dresden Branch, will jointly organize a workshop on Political Economy. In the tradition of the previous workshops, the conference will take place in Saxony's capital Dresden. The two-day workshop will serve as a forum to present current research results in political economy and will give researchers the opportunity to network.

The keynote speakers will be:

GILLES SAINT-PAUL (Paris School of Economics)

STEFAN VOIGT (Universität Hamburg)

CESifo will sponsor the conference dinner on Friday evening. Selected papers presented at the conference will appear in the CESifo Working Paper Series. As the workshop intends to build a network in this research area, participation is welcome even without paper contributions.
