18 – 19 October 2024 | CESifo, Munich

The fourteenth annual conference of the CESifo Area on Behavioral Economics will be organized jointly with the Collaborative Research Center, *Rationality and Competition* (<https://rationality-and-competition.de/>). The purpose of the conference is to bring together CESifo and CRC members to present and discuss their ongoing research, and to stimulate interaction and co-operation between them. All CESifo research network members and all CRC members are invited to submit their papers, which may deal with any topic within the broad domain of behavioral and experimental economics and application to other fields.

All papers presented at the conference will appear in the CESifo Working Paper Series.

DISTINGUISHED CESifo AFFILIATE AWARD

The **Distinguished CESifo Affiliate Award**, aimed at encouraging talented young scholars, will be awarded to the best paper presented by a young author at the conference. Accepted candidates will be invited to attend the conference and present their paper. Candidates must be no more than five years after having completed their PhD (the same applies to co-authors). The criteria for the award are scientific originality, policy relevance and the quality of exposition.

The winning paper will appear in the CESifo Working Paper Series, and the prize winner will receive a €3,000 prize. All CESifo Research Fellows are welcome to nominate candidates for the award by submitting the nominee's paper to the scientific organizers, Ernst Fehr and Klaus Schmidt, along with a brief description explaining the motivation for the nomination.

The **deadline for nominations** is **15 July 2024**.

CESifo is celebrating its silver jubilee this year.

Twenty-five years promoting economic research.

Twenty-five years growing with you.
