CESifo invites submissions to the 2024 CESifo Area Conference on Macro, Money, and International Finance.

The purpose of this event is to bring together researchers who are working in the areas of macroeconomics and money to present and discuss their ongoing research and to stimulate interaction and co-operation between them. Submissions may deal with any topic in Macro, Money, and (International) Finance. In terms of methodology a broad range of papers ranging from continuous time macro-finance to reduced-form analysis are invited. All papers presented at the conference will appear in the CESifo Working Paper Series.

Please note that the same paper can only be submitted to one of the CESifo Area Conferences. Papers which are more related to the topic of other Area Conferences may be re-directed to the respective Area Director.

DISTINGUISHED CESifo AFFILIATE AWARD

The Distinguished CESifo Affiliate Award, aimed at encouraging talented young scholars, will be awarded to the best paper presented by a young author at the conference. Accepted candidates will be invited to attend and present their paper. Candidates must be no more than five years after completing their PhD (same applies to any co-authors). The winning paper will appear in the CESifo Working Paper Series, and the prize winner will receive a €2,000 prize. All CESifo Research Fellows are welcome to nominate candidates by submitting the nominee's paper to Markus Brunnermeier along with a CV and a brief note explaining the motivation for the nomination. The deadline for nominations is 30 April 2024.

We gratefully acknowledge support from Princeton BCF for their support of this annual conference.

CESifo is celebrating its silver jubilee this year.

Twenty-five years promoting economic research.

Twenty-five years growing with you.
